**Evan Bowers is preparing for college by tackling challenging courses including physics, chemistry, calculus and U.S. history.**

**A high honor student for the past four years, he has accumulated nine AP classes and is ranked eighth in his class. Evan runs for both the cross country and track and field teams, is captain and a four-year member of the mock trial team, and a representative on student council for three years. Evan is also a member of the National Honor Society, as well as serving as a representative for a year.**

**He also volunteered his time feeding the homeless and less fortunate at St. Francis of Assisi Kitchen. Next year, Evan plans on majoring in physics and engineering at either Cornell University or Lehigh University, with hopes of becoming an aerospace engineer.**
