

North Pocono

Currently ranked third in his senior class, Christian Griffaton has been in the top 10 of his class every year of high school.

Christian has taken many advanced placement classes and, during his junior year, passed two AP exams. A member of National Honor Society, Christian is also on student council and the tennis team.

One of his personal accomplishments is being able to handle everything he has taken on and still have some free time; he said his most memorable moment in high school was when he was a cheerleader his freshman year during the Powderpuff Football Game.

Christian has worked at Big Bass Lake as a lifeguard since his freshman year. The son of Gary and Susan Griffaton, he plans to attend Widener University and study chemical engineering, and participate in the honors program. He hopes to one day own his own company.
