

North Pocono Senior Sara Wojnar stays pretty busy. In addition to participating in Science Olympiad, reading celebrations, Mathletes, ski club, Future Business Leaders of America and National Honor Society, she is taking five AP classes this year. She, along with Emma Nemitz, placed first at FBLA Regionals in hospitality management and then moved on to the state level. Sara, serving as captain of the Science Olympiad, competed at regional and state levels in 2016 and 2017 for the school's team. Sara is also a member of the girls soccer team and plans on playing lacrosse in the spring. She hopes to study aerospace engineering at Pennsylvania State University in the fall. — LISA ZACCAGNINO
